PREFACE

“CONNECTING WITH GOD, TRANSFORMING LIVES (MARK 16: 15)”

The vision to have this newsletter in place was mooted to give a forum for brethren to propel the gospel of JESUS CHRIST in the GREAT COMMISSION in all ways possible. It also aims at displaying what God is doing in the ministry as we prepare ourselves for Jesus' second coming.

This first publication will be a bit thin but as time goes by, future productions will be enhanced with more articles. We needed a starting point at least to set the ball rolling. Remember revival begins with one or two people not a whole group. Thereafter, fire spreads.

We also look forward to having another newsletter largely on CHILD MINISTRY

courtesy of Tuzo Worship Centre and CDC-Ganze region. All this is geared towards propelling the Gospel of Jesus Christ, with the child at the centre of our thinking, to better their lives and influence future generations in a positive way. Hence, **Connecting with God...Transforming lives (Mark 16:15)**

Glory be to God Almighty. Amen.

MESSAGE FROM THE NATIONAL BISHOP

We thank God that this far Jehovah God has brought us. In deed he's Ebenezer. Many things have happened over the period we've been silent. Most of the events in our 2020 and 2021 calendars did take place. Others never succeeded with the covid-19 challenge. All the same, God remains to be God Almighty. Many thanks to our God and the church as a whole for standing tall in order to see to it that the ministry's work flourishes. May God bless you richly. Amen.

In 2020, nothing much transpired. However, God helped us to maintain the fire of the Spirit in the wake of the pandemic and most of us used to fellowship in our homes until things went back to near normal. Thank God for keeping the faith. You are blessed in Jesus name.

In 2021, the scenario was different. God helped us to rise above the situation and a number of events as planned in the calendar took place. A few however, did not materialize.

It was also in the same year when our founding leader Apostle Sara Kondo went to be with the Lord. It was such a great challenge but we still thank God for her strong faith in God. She still lives in us. She passed on at the age of 103 years. To us, she finished the race well. She is resting with the angels in heaven.

Apostle Sara was such a great role model to us as a ministry especially her persistence and resilience in the faith. Rarely, did she waiver in the faith in Jesus. She was so strong in faith up to the last minute. One of our core values: FINISHING WELL.

As we remain behind, we encourage one another to keep the fire of God burning in us. Let us be strong in the faith in Jesus Christ. He who started this work in us is faithful; he shall bring it to pass.

Brethren, let's keep pressing on. Heaven is sure if we shall not tire or lose heart.

We did wind up the year 2021 with our Annual Ezra Conference set for 26th December, 2021 at our Headquarters church in Chumani, Kilifi County.

On the 9th April, 2022, a major event was organized at the Ministry level where ordination was done to about eighteen pastors in the field. This was culminated with the setting of Bishop Moses Mrima Chai as the next Apostle as per the hierarchy of leadership in our ministry.

Likewise, many events are set to transpire in most of our regions namely: Kilifi South currently under Reverend Renson Chilyalya, Kilifi North under Assistant Bishop Edison Munga, Vitengeni/ Ganze region under Reverend Oscar Mwatua and Lamu/ Tana River regions under Reverend James Mtawali.

Let's all be vibrant and keep the fire burning for God. Let us occupy till Jesus comes...Luke 19: 13.

Friends, Jesus is coming again. Let's be ready.

We now look forward to a spiritually enriched year 2022. Amen.

**Moses Chai Mrima,
National Bishop.**

Sermon Corner

Connecting with God

Key verse: Mark 16:15

Jesus tells his disciples to go out and preach the gospel to every nation. Reason? To restore the fallen mankind back to God. This would automatically lead to transformed life and living. Embracing the faith in Jesus Christ will definitely call for a complete overhaul of former lustful living. Now we become new creatures... 2 Cor.5:17.

Connecting with God warrants a change in lifestyle. Not just a change but a change for the better and a transition to eternal life in heaven.

Brother, sister don't waste your time in carnal living. Turn to God very fast. Connect yourself

with God and your life shall never be the same again. This is not a sure bet but the sure truth. Brethren, let us endeavor to restore the world back to God by preaching the gospel to all people and connect men and women to their creator. Remember, Jesus is coming soon. Let us hasten the process by being more vibrant in propagating the gospel of JESUS CHRIST in the Great Commission.

Friend, accept Jesus Christ and be safe, otherwise, you will perish in eternal fire in hell. COME TO JESUS TODAY. GOD LOVES YOU.
